DREAM ZONE

*Adventure...
Beyond Your Wildest Dreams!*

Tonight your dream will be unlike any other. A mad scientist's elixir has turned your dream world into reality. And you have become a prisoner in your own dream. Escape...or you'll never wake to another sunrise.

To escape the Dream Zone, you will need to draw on your logic, imagination, persistence, and sense of humor. The clues are subtle, perhaps strange, but sufficient. And challenging as this adventure game is, state of the art design will keep the experts tested and the neophytes moving forward.

Forward to encounter Sushi The

Oriental Rat, to evade Bonzo The Bouncer, and to outsmart the Informer Pig. Remember, no creature's too strange. Anything can happen in Dream Zone. Magic, misleading riddles, even nightmare beasts.

Be prepared for a castle floating in the clouds and an ancient oriental palace bustling with mystery and intrigue. Be prepared to endure the bumbling bureaucrats at the Department of Information and the crazy confusion of the local Carnival. And be prepared for the dream adventure of your lifetime.

- Save games for later play
- Panoramic view of surroundings
- Color-coded text

- Fast direction commands
- Heads Up info displays
- Stereo Sound

Travel your dream-scape to hundreds of exotic locales on two 800k disks. Converse with multitudes of people (and things) by typing plain English commands, or clicking objects

and action icons using the Apple IIgs mouse.

A graphic adventure game designed for thinkers who grin and grinners who think.

Apple IIgs screens shown, other displays are similar.

- Requires minimum 512k Apple IIgs with mouse and one or two 3.5 disk drives.
- Includes two 800k disks.
- Graphics and Color Cycle Animation created with 816/Paint by Baudville.
- Apple is a registered trademark of Apple Computer, Inc.

CREDITS

DREAM ZONE is an original creation conceived, designed, and created by J.A.M. Software

Plot and Game design by: Andy "believe me... I can do it" Gavin and Jason "not gettin' paid enuf" Rubin

Programming by: Andy Gavin

Graphics and Art by: Jason Rubin

Music driver by: Audio Light, © 1986 Audio Light Inc., All Rights Reserved.

Songs and Music by: Sarah "super-sound" Sidman with Andy and Jason

Documentation by: Andy and Jason

Published by: Baudville, Inc.

Thanks to Michael "answer-man" Darooge for technical help, Bill "money-bags" Darooge, and Debbie "dead-line" Goddard, and all the other wonderful lifeforms at Baudville.

Thanks to Danny "nice try" Schwarz for his ideas and musical abilities.

Thanks to play testers: Greg Roggin, Canaan "the brother" Rubin, Spenrock Ezekual Joshua Jerusalem Stone (Zeke), Mitch "I want to be the brother" Gavin, Peter "this is my game" Steinberg, Danny Steinberg, Brain "where are the pictures" Walsh, and the elusive Alex "BC" Whatever.

Most of all thanks to Peter Gabriel for the music that gave Andy the patience to write c. 200K of code.

Remember, this has been an Andy Gavin and Jason Rubin production, "we do it all for you."

By the way look for our next game, in the works or in the stores as you read this.

Dedicated to the found memory of Chelsea.
